BIOTECHNICA PARTNERING 2009

HANNOVER, 6 – 8 OCTOBER 2009

Supported by Enterprise Europe Network

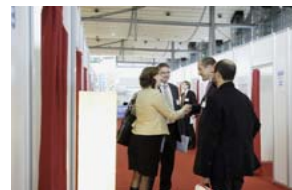

Business Support on Your Doorstep

Introduction

- **About BIOTECHNICA**
BIOTECHNICA is Europe's leading event for the biotech industry. Geared to "Turning ideas into value" BIOTECHNICA 2009 invites you to Europe's leading gathering for the biotech industry.
- **About the Partnering**
BIOTECHNICA Partnering is a platform for stakeholders from science and industry to share innovative technologies and initiate cross-border co-operations.

Who should attend?

- **Target Groups**
management boards, business developers and scientists from the biotech, pharmaceutical, chemical and financial sectors,
500+ delegates expected
- **Why you should participate**
meet visitors and exhibitors at pre-scheduled one-to-one meetings where you can explore:
 - licensing, patenting
 - technology transfer
 - financing
 - strategic alliances and collaborations

Organisation

- Partnering Concept

Prior to BIOTECHNICA, EBD Group's online networking platform partneringONE™ is the platform to search for other attendees and companies, product information, in- and out-licensing options, cooperation requests and to arrange your meetings.

The partnering process starts well before the event.

Register and profile your organisation as soon as possible to make the most of the event. The search and request features of partneringONE™ will be online approximately one month before the event.

By participating in the partnering process before the start of BIOTECHNICA PARTNERING, you will arrive at BIOTECHNICA with your meeting agenda already in place.

Participation Fee

- **Visitors**
 - Industry 99 € (+VAT) *
 - Academia 59 € (+VAT) *
 - * + 1 free BIOTECHNICA ticket
- **Exhibitors** 199 € (+VAT)

Biotechnica Partnering 2009 is organised by Deutsche Messe AG, in co-operation with EBD Group and supported by the Enterprise Europe Network
