

Chem-Match: Corporates meet Startups 2020 (Online)

UPDATE

Matchmaking Event “Green & Digital” to initiate collaboration
between the Chemical Industry and international Startups

Registration & Infos: <https://chem-match2020.b2match.io>

1 Oct 2020	Startup Workshop “Corporate Insights” (online)
8 Oct 2020	Matchmaking Event @ CIEX Europe Conference 2020 (online)
9 Oct 2020	Matchmaking Event (online)

The chemical industry faces diverse challenges these days. Issues like digitisation, process improvements, ecological or social responsibility shape a new operation setting for companies. The pressure to innovate is high, while the time needed remains an obstacle.

“Chem-Match: Corporates meet Startups 2020” brings impetus to the chemical open innovation. We match corporates with startups from the fields of chemistry, biotechnology, bioelectronics, environment, sustainability, digital process management and digital innovation.

Hessen Trade & Invest with the Enterprise Europe Network and the project partners Infraserv at Industry Park Höchst, CIEX Europe Conference and 5-HT Digital Hub Chemistry & Health offer this special event format for meeting and discussing about corporate - startup collaboration.

Corporates/chemical companies use this format to

- [meet innovative startups](#) during the matchmaking event on 8 and 9 October (online)
- join the [top-class conference programme](#) at CIEX Europe 2020 conference in Frankfurt/Main
- [source new ideas](#) and [innovative approaches](#)

Startups/Scaleups get the opportunity to

- [meet international corporates](#) from the chemical industry for individual B2B-meetings during the matchmaking event on 8 and 9 October (online)
- join the [top-class conference programme](#) at CIEX Europe 2020 conference in Frankfurt/Main
- participate in an online workshop on “[Corporate Insights](#)” to get valuable tips for negotiations with industrial companies (1 October)

Agenda

Online workshop „Corporate Insights“

1 October 2020

5-HT Digital Hub Chemistry & Health is offering a two-hour online workshop on how to communicate with corporates. The workshop will provide startups with valuable tips for negotiations with industrial companies and prepare for their individual online meetings on 8 and 9 October. The participation is free of charge. Please register at <https://chem-match2020.b2match.io>.
